

25 August 2020

Kia ora koutou,

It was a big relief to hear we are moving back to Alert Level 2 at the beginning of next week. We look forward to welcoming all our students and staff back onsite at that time!

Thank you once more to you whānau/families for the support and resilience you have shown through Alert Level 3.

Being careful, good hygiene practices, coupled with the hard work our health authorities are doing to identify and support any confirmed cases and their close contacts remain important for all of us.

Just a reminder that while everyone is onsite at Alert Level 2 next week, we ask you drop and pick up children outside of school grounds. We also have to follow key health measures including:

- *Good hand hygiene and cough and sneeze etiquette*
- *Staying home if sick*
- *Keeping the appropriate physical distance from others (in class this means no touching each other and keeping out of breathing distance)*
- *Cleaning and disinfecting our high touch surfaces daily*
- *Displaying QR code posters at our entrances and encouraging all of our community to download the NZ COVID Tracer App and use it if they come onsite*
- *Keeping a visitor register for anyone who cannot use the app and for other visitors who come onsite for a period of time.*

We know all these things will help to keep our community as safe as possible. Because of these measures, your child does not need to wear a face covering while at school. We will of course support them should they choose to do so.

For those of you who might be finding things more difficult than usual, a reminder that there is a large range of support available for businesses and the community. We encourage you to go to covid19.govt.nz for more information, or get in touch and we will help you to find the information and support you need.

*Ngā mihi
Sepora Mauigoa
Principal*
